Exegesis**Luke 1:57-66, 80**

The first two chapters of Luke's Gospel alternate between stories of two births. One is the annunciation and birth of John the Baptist, who was, for Luke, the last great prophet of the Old Testament and who prepared the way for someone greater than any prophet—Jesus the Messiah. The annunciation and birth of Jesus is the other story. The story of John sets the very Jewish environment into which Jesus and John were born. Jesus' annunciation and birth begins to move the Gospel into the environment of the Roman empire.

In the verses before those read today, the birth of John the Baptist has been announced by the angel Gabriel to Zechariah, who was performing his duties as a priest in the Jerusalem Temple. Gabriel then announced the birth of Jesus to Mary in her home in Nazareth. Zechariah and his wife, Elizabeth, are an old couple who have never had children. Mary is engaged to Joseph, but they have not yet come to live together.

We read today that Elizabeth's neighbors and relatives rejoice with her because God has shown her mercy in the birth of a son. But they are confused when she tells them that his name is to be John, which means "God has been gracious." Zechariah has been unable to speak since Gabriel appeared, because, unlike Mary, he doubted the angel's word. But when he writes on a tablet "John is his name" all are amazed, and a great fear comes upon everyone. Fear, along with joy and praise, is for Luke the appropriate response to God's mercy. People ask, "What, then, will this child be?" But this question has already been answered by the angel. "He will be great in the sight of the Lord. He will turn many of the children of Israel to the Lord their God."

Zechariah responds with praise in his famous canticle, the Benedictus. But that is not read today. Instead we jump to the last verses of the chapter, which explain that John will become strong in spirit living in the desert until it is time to show himself to the people of Israel. When John appears again at the beginning of Chapter 3, after the stories of the birth and childhood of Jesus, he will prepare those people for the ministry of Jesus by preaching a baptism of repentance for the forgiveness of sins.

TREASURES FROM OUR TRADITION

It's midsummer day! We have the advantage of celebrating one of the great hidden treasures of our liturgical calendar on a Sunday this year. There are only three "nativity" feasts on our calendar: for the Lord, the Blessed Mother (September 8), and today's birth of the Baptist. Today's date is anchored by the Annunciation (March 25), when Mary learns not only of her own child's advent, but of Elizabeth's child. We are exactly half a year away from Christmas Eve. There are strong traditions around this feast. Just as the winter solstice provides a rich vocabulary for Christmas, so does the abundance of light at midsummer inform this celebration. Just as at Christmas, a religious festival spills over into culture. As summer light reaches its peak, the sun-drenched zones of northern Europe see people staying up all night, lighting "St. John's fires" in the long summer twilight. Bonfires seem to be the unifying force in all these celebrations, kindled along the shores of the St. Lawrence in Quebec and Montreal, with harbor illuminations in France. You may be most interested in the custom in San Juan, Puerto Rico, the Baptist's own city. People there will leap into the sea between midnight and dawn to honor John. Why not find your way to a pool, a lake, or a sandy beach today and plunge in to recall your baptism? It's a tradition!

TRADICIONES DE NUESTRA FE

Hoy recordamos a san Juan Bautista, primo de Jesucristo y precursor del Mesías. Juan se hizo famoso predicando la penitencia y bautizando con agua, insistiendo que vendría uno que bautizaría al mundo con fuego y el Espíritu Santo. Hoy es uno de los santos mas festejados en el mundo, especialmente en zonas donde su fiesta coincidía con la llegada del verano.

Para celebrar a este santo pariente de Jesús la gente en Alicante, España, hace fogatas durante la noche de su vigilia y baila en torno a ellas. En América el pueblo Boliviano también recibe al santo con hogueras, para quemar la tierra en busca de fertilidad y purificación. Los Bolivianos también festejan echándose agua los unos a los otros.

San Juan ha sido honrado en el hemisferio Americano desde 1509 cuando Juan Ponce de León nombró la Isla de Puerto Rico en su honor. También allí hacen el juego del agua en la fiesta de san Juan ya que los fieles se echan de espaldas al océano tres veces en busca de purificación y celebración.
